**RESPONSE TO RESTRICTION REQUIREMENT**

Sir:

In a December 28, 2009 Office Action, the Examiner indicated that the reply filed on August 24, 2009 is not fully responsive because Applicant failed to provide a listing of all of the claims readable on the particular elected species, i.e., Species B, depicted by Fig. 2B.

Applicants submit that claims 2-4 are readable on the elected species, i.e., Species B, depicted by Fig. 2B. Applicants also submit that claim 1 is considered to be a generic linking claim.

Applicants respectfully request the right to file a divisional application directed to the unelected claims.
